

Theme: Public Space and Technology

UI//UX – Parky (App)

The proposed application contains the following activities for each specific task makes the overall user experience hassle free.

As the application is planned to be developed in **Flutter**, both **Google's Material Design** and **Apple's Cupertino** layout have been kept in mind while designing them.

- **Sign in Activity/ Homepage Activity**

Sign-up page lets users enter information and register.

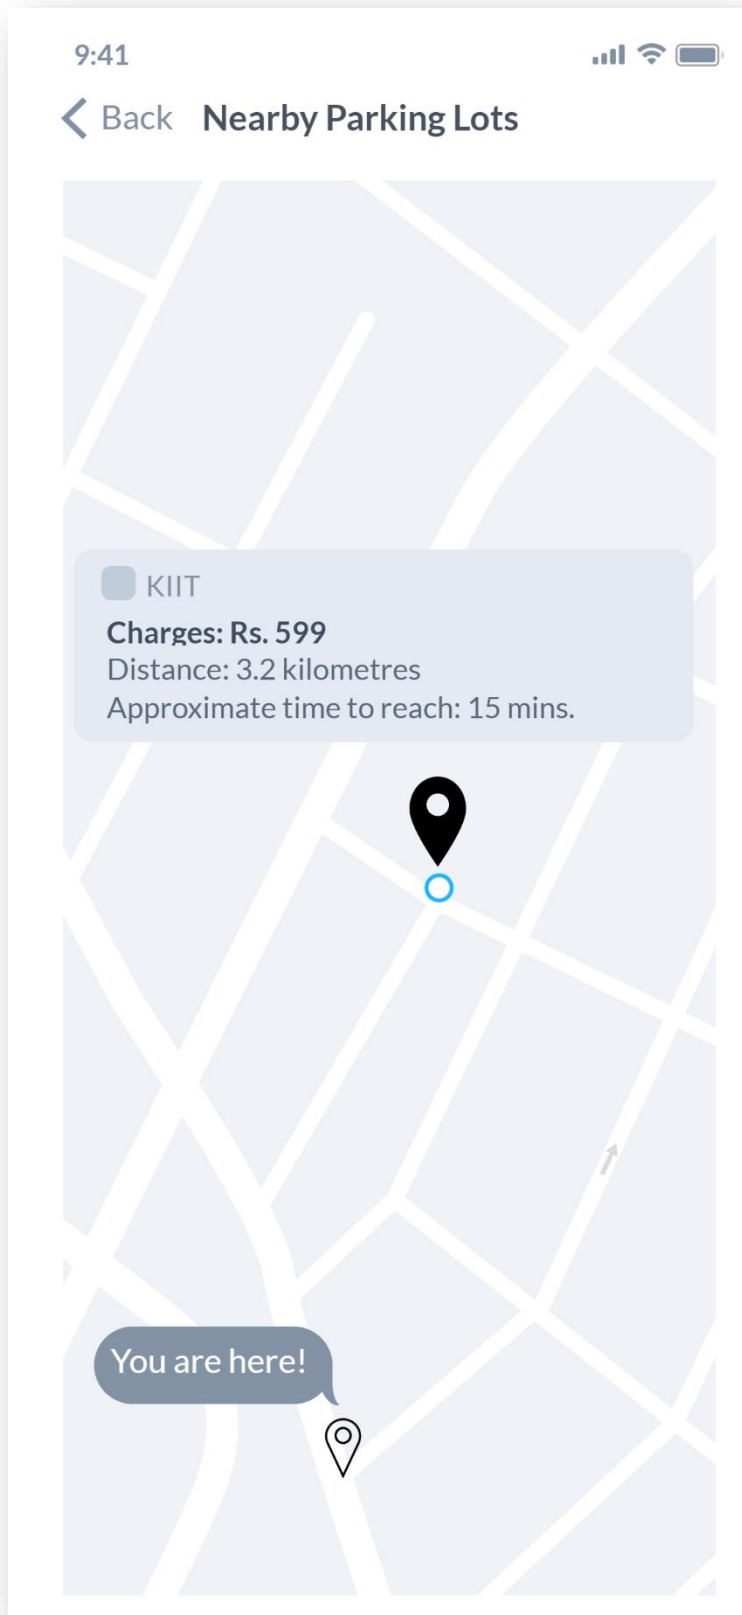

- **Dashboard Activity**

It is the centralized control panel to navigate between all the different activities like ***Nearby Parking Lots, Quick Park, Parking Reservation, History, Parking Fare Calculator, and Settings.***

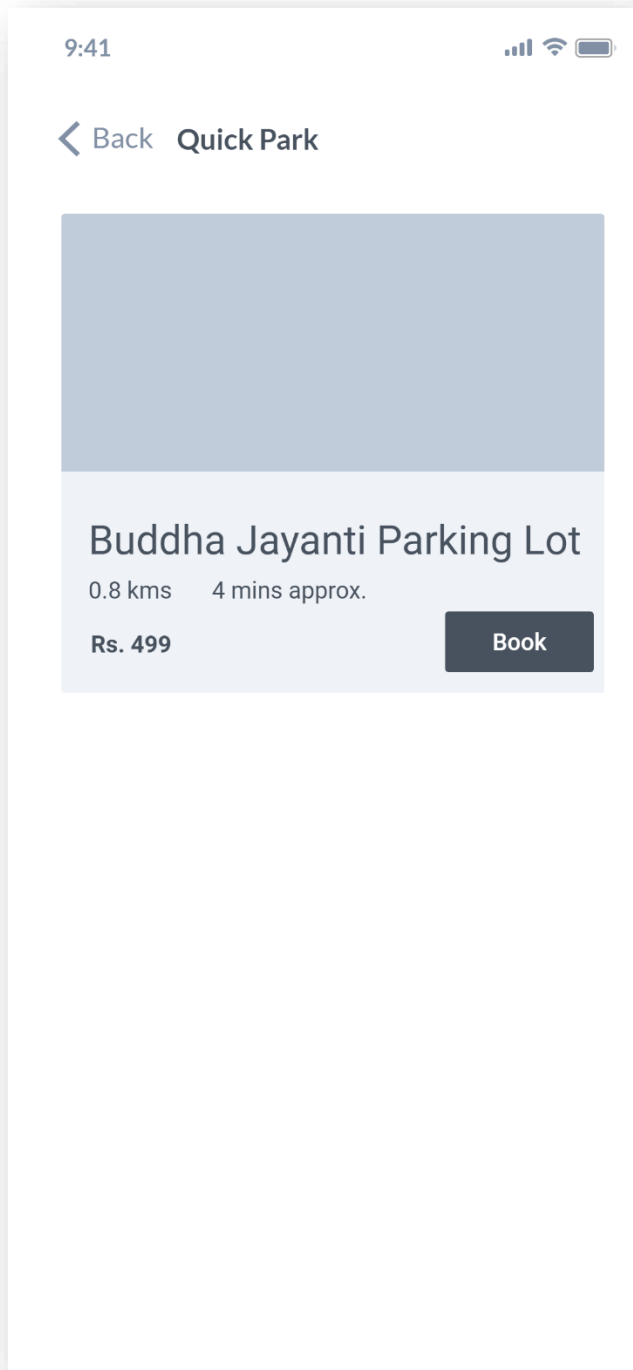

User can **log out** by tapping on the button present at the upper right corner on the AppBar.

- **Nearby Lots Activity**

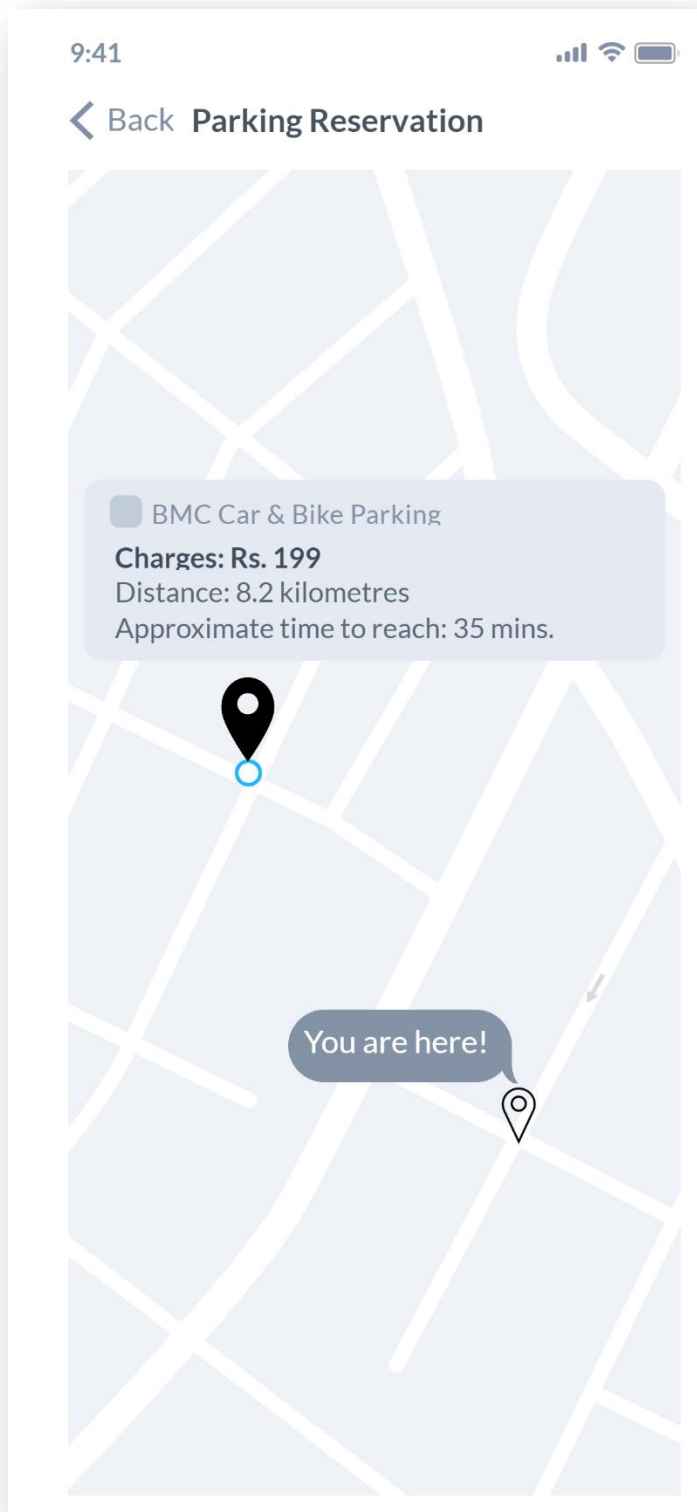

This activity lets users choose your desired parking area and book it.

- **Quick Park Activity**

Quick park automatically shows the nearest parking area with most affordable price and gives user the ability to book it in a jiffy.

- **Parking Reservation Activity**

This activity enables the user to reserve a parking space beforehand by providing date, and time, and the parking area of their choice itself.

- **Parking Fare Calculator Activity**

9:41

< Back **Parking Fare Calculator**

Parking lot >

Q Search

Selected: Buddha Jayanti Parking Lot

Reservation ☒

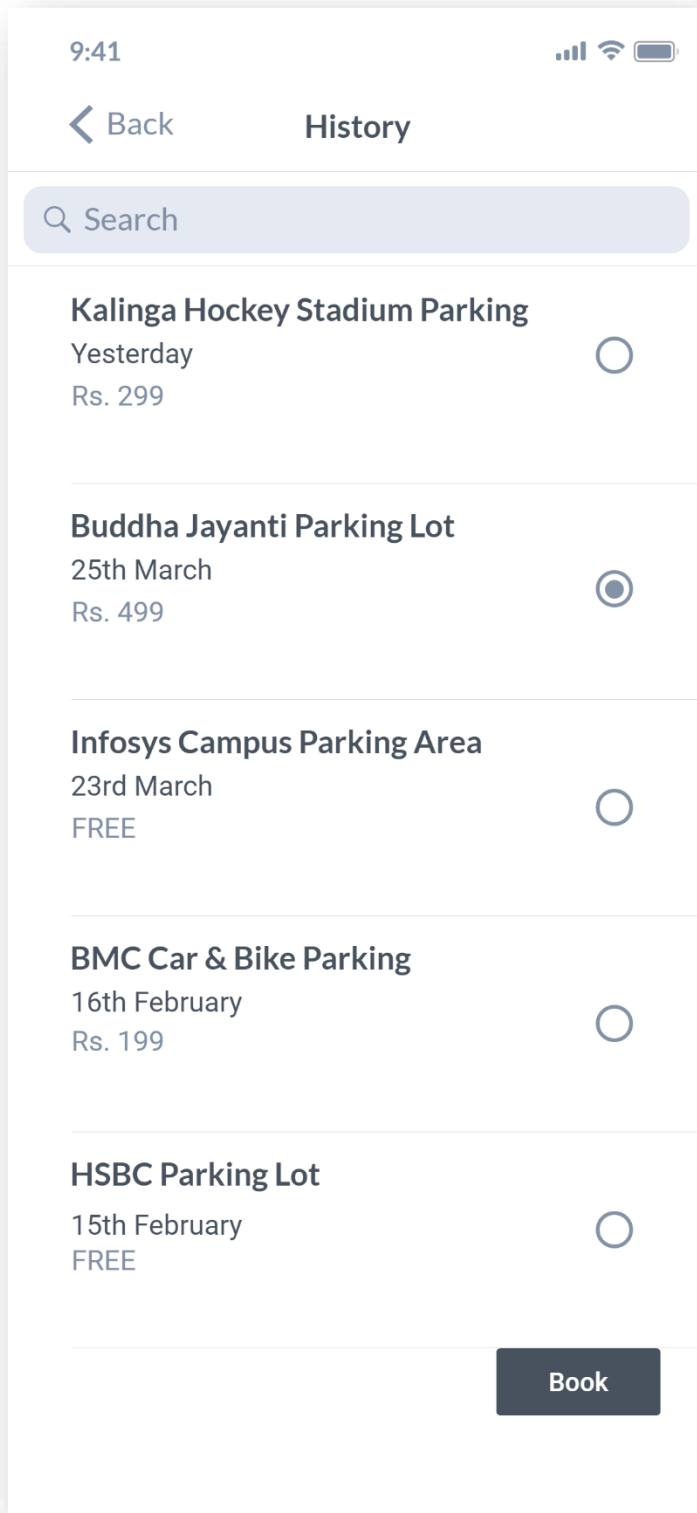

Date Tomorrow, 29th March

Total fare: **Rs. 599**

Book

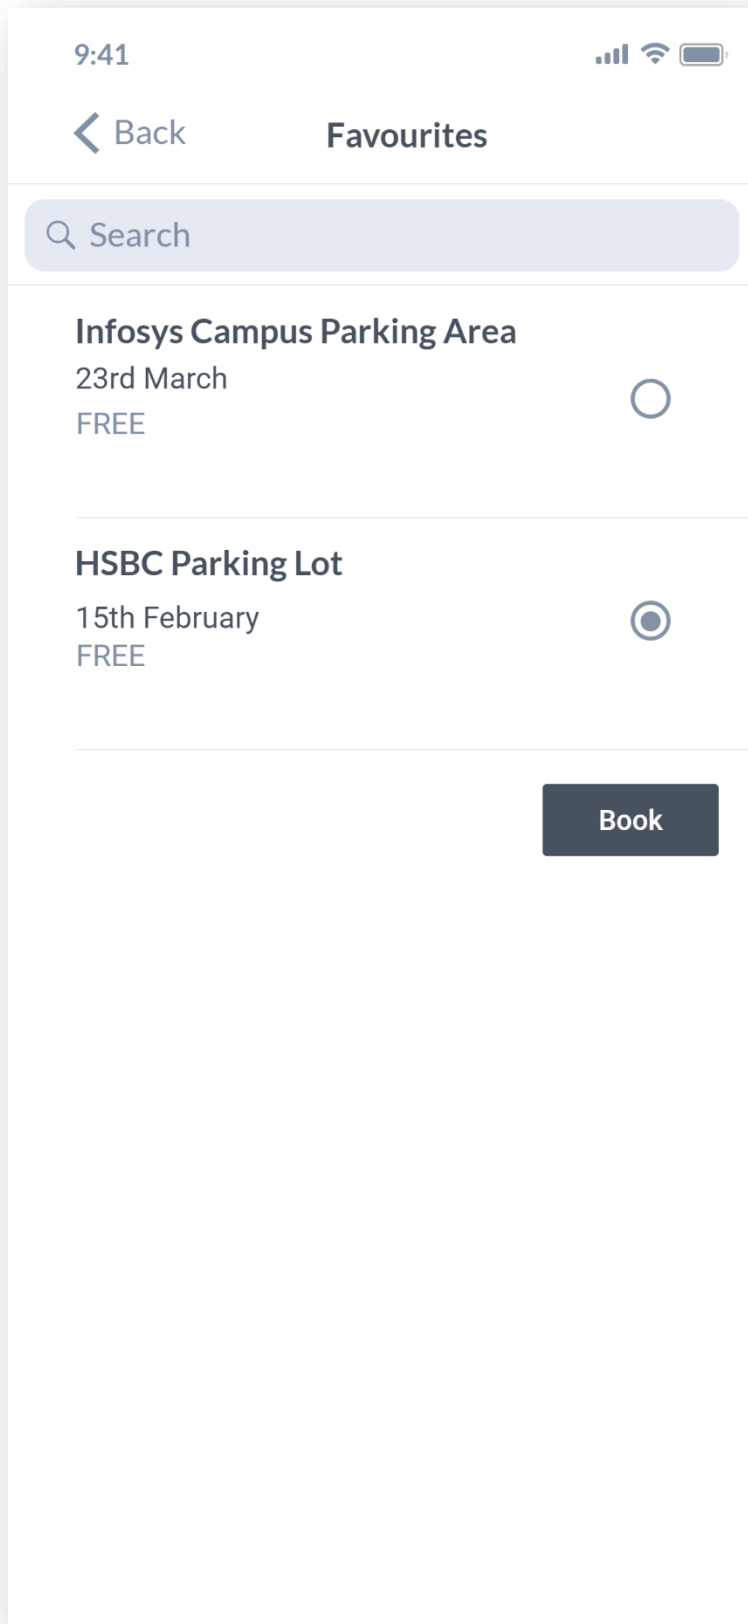

If someone in advance wants to know the charge of parking at a particular lot for some estimated amount of time, they can use this to calculate the amount.

- History Activity

This shows the history i.e. all the parking lots the user has used, with the fee that was charged for it.

- **Favourites Activity**

The user can add some parking lots to his ***Favourites*** so as to make the process faster.

- **Settings/About app Activity**

Sharing is caring!

Parky is now in developmental state and only scratches the surfaces of how the final app will be. Please bear with us.

Thanks.

Made with ❤ in India.
